Phoenix, AZ (June 19th, 2017) . . . Four Chambers Press, an independent community press based in Phoenix, AZ is now accepting full-length manuscript submissions in poetry, fiction, creative nonfiction, hybrid, and all other forms of contemporary literature through Monday, July 31st, 2017. We also pun frequently on the idea of being a heart. Namely: that we're lovable; somewhat cheeky; an occasional flirt. But we also take the responsibility of literature and book publishing very seriously. We will bleed for this if we have to. Our hearts beat for this. We don't care where you come from or what you do. We're interested in building something that's going to outlast us. We want to feel something together. We're interested in you. Writers of all backgrounds and skill levels are encouraged to submit. No fees. Send us your work. <http://fourchamberspress.com/submit>
